The health, safety and wellbeing of our children, staff and community is, as always, our top priority.

This letter is to let you know that there are a number of confirmed cases of COVID-19 in our school community. We will message individual classes if a confirmed case is reported and directly connected to the class, we will do our best to preserve the privacy of all concerned. **Please remember that it is only household contacts who are required to self isolate for 10 days following the positive test.**

Anyone who shows symptoms should remain home from school and be tested.

What you need to do:

- \* You and your 'aiga should watch for symptoms
- \* If any develop, get tested immediately
- \* Then, stay at home until you receive the result

If your 'aiga hasn't been vaccinated, please do so as soon as possible. You can book online at [bookmyvaccine.nz](https://bookmyvaccine.nz) or by calling 0800 28 29 26. It's free.

What we're doing:

- \* Holy Family will stay open
- \* We have appropriate public health measures and cleaning procedures in place
- \* We are following all Ministry of Health and Ministry of Education guidelines

Finally, we ask you all for kindness and compassion towards those who are isolating at this time.

Please contact [office@holyfamily.school.nz](mailto:office@holyfamily.school.nz) if you have any questions. If your child or a member of your household tests positive, please contact me.

Stay well and God bless
