RE: Health and Physical Education Community Consultation

Every two years Holy Family School consults with whānau and community on the Health and Physical Education programmes being delivered to students from New Entrant to Year 6.

Special Catholic Character of our school means

- to put the well-being of our students first, respecting their rights and dignity, nurturing their individual sense of self-worth and serving their spiritual, academic and human needs.
- to focus on delivering the best possible educational programmes that suit each student, enabling them to reach their fullest potential.

Background Information

There are 4 areas that make up Health and PE guidelines/ curriculum for all New Zealand schools.

- Physical Health & Physical Development
 - Mental Health
 - Sexuality Education
 - Food and Nutrition
- Movement Concepts and Motor Skills
 - Physical Activity
- Relationship with Other People
 - Physical Safety
 - Body Care
- Healthy Communities and Environments
 - Sports Studies
 - Outdoor Education

The Survey

In order to continue delivering high quality program HFS requires **your input - ideas or suggestions**. This can be completed as a family/ whānau activity or an individual response.

By **taking a few minutes** to read, complete and return the survey, we are able to collect, review and take action to make changes to the current Health & PE programs for the next two years. A further break down of each heading is in the survey.

The information collected will assist with maintaining or develop programs where your child/ren will experience success in their learning within the area of Health and PE.

The House Team with the most completed survey's returned by **Friday 18th August 2.45pm** will receive a special treat – to be announced following Monday.

If you would like to talanoa/ discuss anything about the survey, please contact me on fisiena@holyfamily.school.nz or 021 2978972.
